MINERAL SCAVENGER HUNT

Discover where you can find minerals in every day objects in your own home!

Name: _____

Date: _____

Can you find a mineral in the kitchen that has the same name as its color?

We drink out of it and wrap leftovers in it. Can you find this mineral in your recycle bin?

This mineral is found in a certain kind of coin. Collect 5 of them to make 25 cents!

Your might find this kind of mineral in your jewelry box. Pirates like it too!

You can eat this mineral (sometimes). It's tasty on your popcorn!

This kind of mineral is found in a coin not really worth much. Wires are made of this too.
